

MAKING A HANDBAG CARD USING THE ENVELOPE TEMPLATE

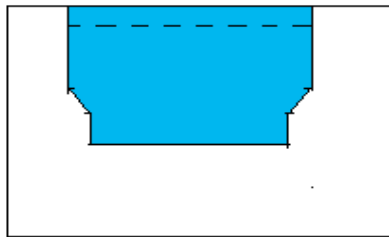

1. Fold A4 card in half to form a C5 card.

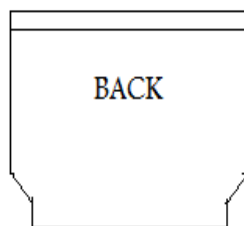

2. Place template on card. Draw round with a pencil, then cut design out.

3. Using template again. On a contrasting paper or card, Draw the flap. Make it to the size you want. Allow a little extra to fold over the top of the card. This creates the flap detail.

4. Attach flap to card using double-sided tape or glue. You can edge card and flap with Peel-offs or decorate as required.

5. If you want to add an insert with message.

Again fold A4 paper. Use template for shape. When cutting cut inside template shape to make it slightly smaller than card so it doesn't show when attached. Attach with double-sided tape or glue.

6. Suggestions to decorate.

Tie ribbon to create bow at top of bag, Use peel off's to edge card and flap. Flowers, gems, buttons, stitching, cord, ribbons and punches can all be used to give interest to your card.
